SCHOOL HISTORY

In response to a request from members of Lockridge Catholic Parish of the Good Shepherd, the Catholic Education Commission of Western Australia approved the establishment of the school.

The school opened in February 1983 with Pre-Primary and Years 1 – 4.

In 1985 two additional classrooms were added and in 1987, the administration block and library were opened.

In 1989 two streams of pupils commenced in Pre-Primary and continued through the school to Year 6. In 1999 a four-year-old kindergarten program commenced.

Building development was made possible by funds from the Commonwealth Government, interest subsidies and low interest loans from the State Government, the

Co-Responsibility Building fund, and the Lockridge Parish. Parents assisted in the initial development of the grounds, clearing, reticulating and planting lawns and trees.

The Sisters of the Infant Jesus who lived and worked in the Parish, assigned one of their Sisters Ita Noonan to teach at the school, until 1989. The Presentation Sisters moved to the Parish in 1990, and Sister Petra Littikhan taught here for two years until moving to Thailand. The Presentation Sisters have continued to work in the Parish.

On the 9 April 1997, having completed all the building stages, the school was officially blessed and opened by Monsignor McCrann and Mr. Richard Evans representing the Government.

In 2011 the most recent Capital Development Plan (CDP) was completed through the Australian Commonwealth Government initiative Building the Educational Revolution. The CDP saw the construction of a fabulous Hall and Meeting Room area, renovated Library and Under Covered Area.

COMMUNITY GROUPS

SCHOOL ADVISORY COUNCIL

The School Advisory Council is responsible for the financial management and planning of the school. It consists of the Principal, the Parish Priest, P&F Nominee, and a representative of the Parish Council. Another six members are elected each year at the Annual General Meeting in November. All parents interested in assisting the school are encouraged to nominate for these positions. The School Advisory Council meets each month.

CATHOLIC SCHOOL PARENTS WA

The P&F Association aims to promote and further the interests of the school and children attending. This is presently achieved through parent information meetings and fund-raising activities. The P&F also meet once a month and parents are encouraged to attend.

PARENT INVOLVEMENT

We encourage all parents to maintain close contact with class teachers regarding children's progress.

Parent / Teacher interviews, education information nights and in service courses provide such opportunities. As part of the school community each family is expected to support school activities in addition to the payment of school fees. Parent assistance is needed in the Canteen on a roster basis, about once each term.

Classroom help with reading, sport, excursions, and covering books is always very welcome and appreciated. Occasional fund raising activities and Busy Bees require the support of all parents. These activities reduce cost and build community spirit among us.

RELIGIOUS EDUCATION

The Religious Education program is a fundamental part of the school's effort to help pupils towards a conscious choice of living a responsible way of life.

In partnership with parents it aims to:

- 1) Encourage a commitment to the values of Christ.
- 2) Foster spiritual growth and conscious contact with God.
- 3) Overcome self-centeredness
- 4) Serve God in others.

Religious education is a regular part of each class program, based on the Perth Archdiocese Religious Education Units which are approved by the Catholic Education Office of WA.

Regular opportunities are provided for children to participate in Masses, Assemblies and class prayers.

SACRAMENTS

The Archdiocesan Religious Education Units that are implemented in our classes mean that children continually prepare for the Sacraments of Reconciliation, Eucharist and Confirmation. Students then receive regular follow-ups after these Sacraments.

The Sacrament of Reconciliation receives special attention and takes place in Year 3 and the Sacrament of Eucharist in Year 4. The Sacrament of Confirmation takes place in Year 6.

Parents are assisted to help prepare their children for these Sacraments, through a Parish based program.

SUPERVISION

- During recess and lunch, the children are actively supervised by the staff whilst they are in and around the playground.
- Parents should note that supervision of school grounds begins at 8.30am and concludes at 3.15pm.
- Parents of children being collected or dropped off during school hours are requested to go to the office and register their child's name in the sign in / out book.

ABSENCES

The Education Act of Western Australia requires a note to class teachers on the child's return after a short absence and notice in writing prior to departure for extended leave. Any absence from school can be submitted via the Absentee tab on the Good Shepherd School Website.

SICKNESS

If illness occurs at school, parents or emergency contacts are notified to collect the child. If contact is not possible, medical attention will be sought if necessary. In case of infectious diseases, children are required to be absent according to Health Department regulations. A doctor's certificate should indicate clearance.

FAMILY DETAILS

Please notify the school of change of address, email, telephone numbers, place of work and other contact numbers in case of emergencies. These details are kept with the strictest of confidentiality.

TELEPHONE CALLS BY STUDENTS

Telephone calls by the children are not permitted during school hours.

MONEY

Large amounts of money of \$10 or greater should not be kept by children during the day but can be left at the school office if required.

PARENTS AND THE SCHOOL

Parents are recognised as the prime educators of their children. The school continues the valuable work begun in the home. The need for cooperation and mutual support is essential. When children are enrolled, it is understood that parents approve of and support the aims and programs of the school.

PARENT / TEACHER CONTACT

The staff are readily available to discuss your children's progress. Appointments are to be made with class teachers first, either before or after school to alleviate disrupting the class time. Early in Term 1, a Parent Night is held to outline classroom procedures and to meet each other. At the end of Term 1, a parent / teacher meeting is held to discuss your child's progress so far.

A Work Sample of children's work is issued at the end of Term 1 and 3. School Reports are issued at the end of Term 2 and Term 4.

Staff meetings are held every Wednesday afternoon so parent / teacher meetings are to be avoided at this time.

DISPUTES AND COMPLAINTS

The Catholic Education Commission of Western Australia (CECWA), Dispute and Complaint Resolution policy was implemented in first term 2002 and provides a process that must be followed by all Catholic schools when addressing issues of dispute or complaint. The Dispute and Complaint Resolution policy has been developed on the following basis:

- The principles of the policy are based on the Church's social teachings and the principles of natural justice e.g. the right to be heard and the right of response etc.
- The need to resolve the dispute or complaint initially at the school level before involving the Director of Catholic Education.

OVERVIEW OF PROCEDURES

1. All issues of dispute or complaint must be addressed in the first instance at the school level.
2. Where the parties are having difficulty achieving a resolution at the school level they may request the assistance of the Director of Catholic Education or Congregational Leader.
3. Any party may appeal the Principal's decision to the Director of Catholic Education who will then in turn review the decision.
4. Any party may appeal the Director of Catholic Education's decision to the Minister for Education. The Minister for Education will review the process utilized to resolve the dispute or complaint but will not review the merits of the matter.

STAFF IN-SERVICE

Staff have regular Professional Development programs to maintain high standards in all aspects of school life and are included during the year. These are pupil free days and ample prior notice of these days will be given.

MUSIC

Music is an integral part of the school curriculum because it is considered to be part of the total education of children. The music programme used is conducted by a Music Specialist. Classes from Kindy to Year 6 are actively involved. The programme aims to create an atmosphere where children can develop appreciation and enjoyment of music through: singing, movement, composition, listening, instrumentation, reading and writing, musical appreciation, together with exploring and creating sounds.

Music tuition is also available to children on an individual basis on a number of musical instruments.

FEES

The annual fees are payable by one annual payment or per semester. Families experiencing difficulties with the payment of school fees should make a time to see the Principal as soon as the annual fees are issued.

- Direct debits can be arranged
- Eligible Centrelink card holders may apply for the Health Care Card discount

If a child lives with tolerance he learns to be patient.

If a child lives with praise he learns to be appreciative.

If a child lives with acceptance he learns to love.

If a child lives with approval he learns to be himself.

If a child lives with recognition he learns it is good to have a goal.

If a child lives with fairness he learns what justice is.

If a child lives with honesty he learns what truth is.

If a child lives with security he leans to have faith in himself and those about him.
